

Feast of Tabernacles 2015

Yahweh's Assembly In Yahshua 2963 Co. Rd. 233 Kingdom City, MO 65262 1-877-642-4101

Yahweh's Feast of Tabernacles and the Eighth Day (often referred to as "the Last Great Day") begins at sunset on September 28th, 2015, and ends at sunset on October 6th, 2012. The campground is located in an easily accessible area of the beautiful Ozarks, just off I-44. The address of the Pulaski Baptist Association Camp and Fellowship Center is 26224 Silver Lane, Waynesville, MO 65583. The campground phone, for emergencies only, is 1-573-774-2926. Upon entering the campground, a sign reads, "No smoking and no alcohol beverages." Pets, we're sorry to say, are also not allowed.

Experience Yahweh's Presence

Attending Tabernacles at this campground offers a family-oriented and friendly atmosphere, without the stress of the world. Dedicating ourselves to learning and fellowshiping with like-minded brethren will be a great experience.

Amenities/Facilities

The campground contains a number of buildings and cabins. There is a large main lodge, some out-buildings and smaller cabins. The main lodge, a large multipurpose building, contains a dining hall (including an industrial-size kitchen, a walk-in cooler, a freezer for ice-chests, a pantry, and fold-away tables); a basketball court; a heated indoor swimming pool (which can be used for a nominal fee to hire a required lifeguard); and dormitory-style sleeping quarters (bunk beds with high-quality mattresses, bathrooms, and showers). There is an out-building for services (a stage, overhead projector and 200 padded chairs); another for Bible Study; and small cabins having bunk beds, high-quality mattresses and bathrooms. All buildings have air conditioning and heat. All this, for \$17 per day, per person.

Meal Plan

For those who wish to participate, we are offering an additional evening meal plan for \$3.00 per meal, per person. These meals will not occur on any Sabbath. However, a noon meal on the first High Day Sabbath will be provided by YAIY. Other meals will be a personal responsibility. Towards the end of the Feast there will be some left-over meals. A Walmart shopping center is located seven miles east from the campground on I-44 in St. Robert, MO.

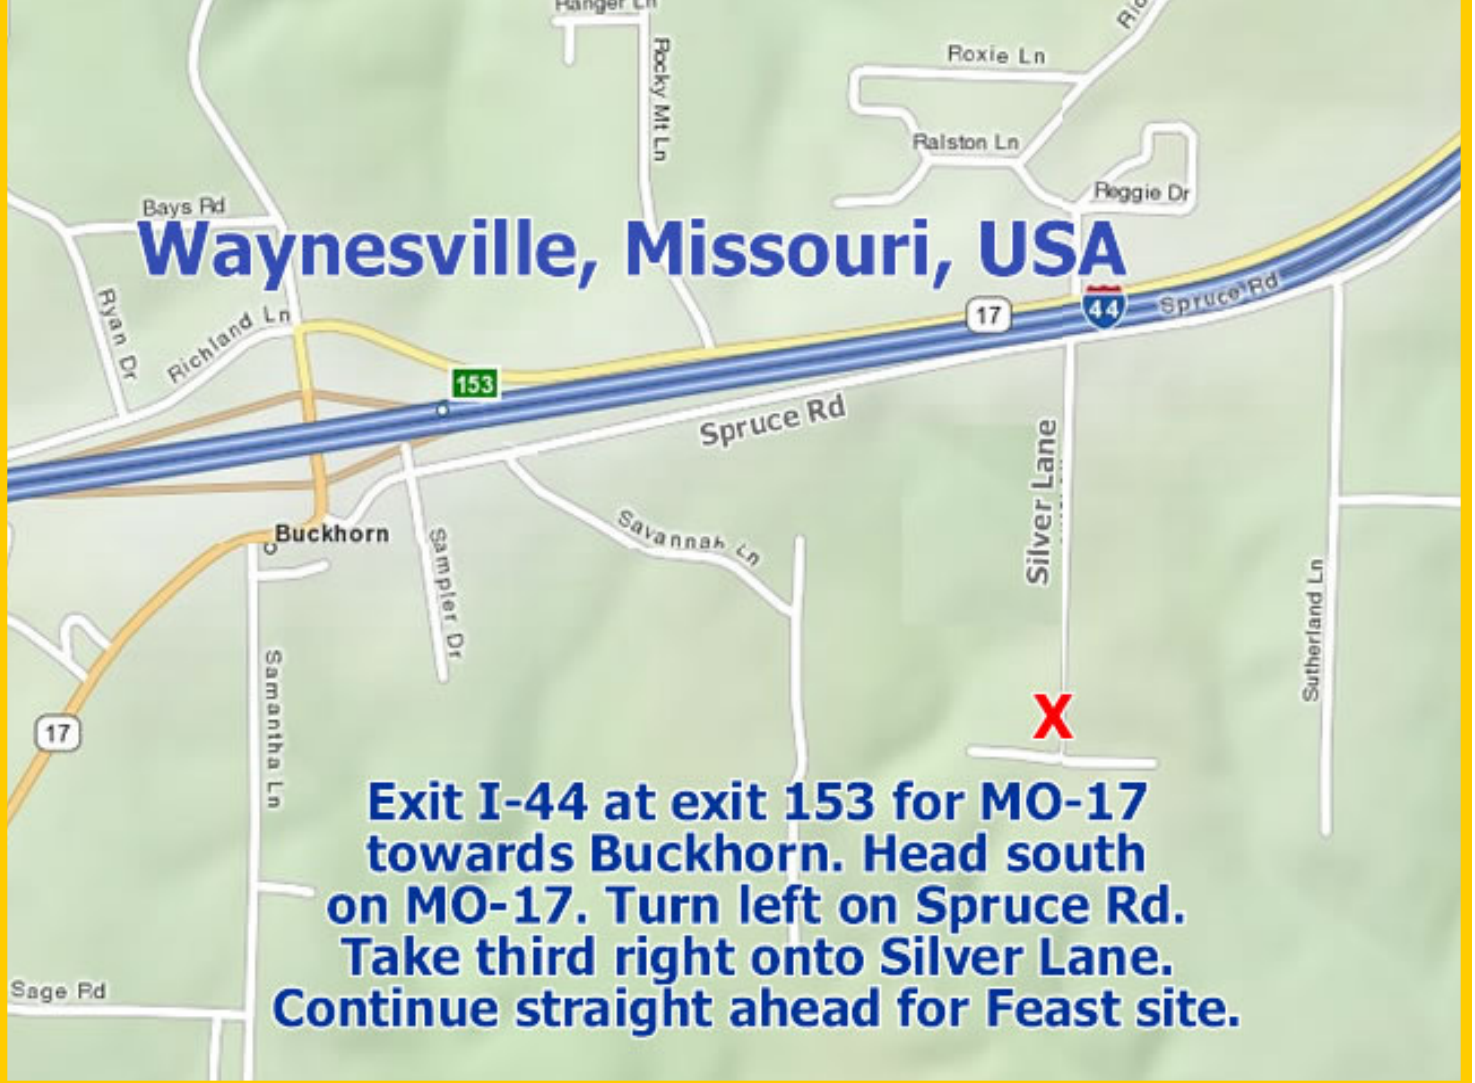

Last Call

To help plan a smooth-running Feast, please complete the enclosed reservation form and return it to us by September 1, 2015. After this date please call. Rooms and cabins will be reserved in the order the forms are received. So act now! You are asked to enclose a \$50 non-refundable deposit when sending in your reservation form. The \$50 will be deducted from your total cost. See registration form for further details. If you have never attended a Feast of Tabernacles before, make this year your First Year of Obedience. Scriptures say we are to gather three times a year where Yahweh has placed His name. This is one of those prescribed times. We are to gather together in temporary dwellings (as is afforded us at this campground) to fellowship with others having the same convictions. Keeping each of these three gatherings prompts us to live a more Scriptural and Spiritual life and to focus less on the material world. We hear the Bible expounded upon and prophecy examined, in order to discern future prophetic events and how to prepare spiritually. It is an opportunity for personal growth in the Messiah and to help others share in our joy. By participating in this Feast of Tabernacles, we offer to Yahweh and Yahshua the sacrifice of our time and energy that will lift up and bless others, now and forever. Salvation, having been established through Yahshua's perfect sacrifice, we are now called to the sacrifice of obedience and praise as a condition for redemption and eternal life! We look forward to seeing you at Succot this year. Bring a friend! By your faith in Yahshua and obedience to Yahweh's Word, you will be blessed! On the back of this letter is a map showing the location of this year's Feast of Tabernacles.

Yours in Master Yahshua's service,

John Fisher
