BEHOLD, HOW
GOOD AND HOW
PLEASANT IT IS
FOR BROTHERS TO
DWELL TOGETHER
IN UNITY!

Psalms 133:1, NASB

Yes, We ARE Blessed!

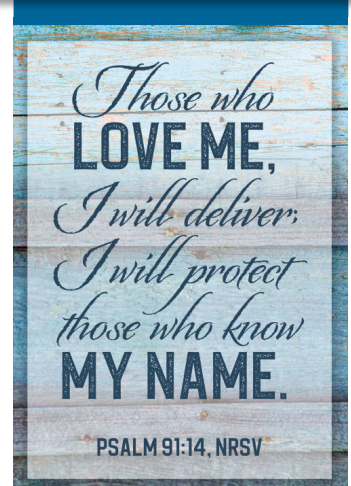

"Yes, we are blessed!" could well have been the rallying cry at this year's Unity Conference. It was a joyous time with over 70 in attendance. This was our first time hosting the event. Having attended last year's conference, we believed we would see the same love and peace this year that characterized the previous gathering. We were pleased to find not only that the same spirit was present, but also that the brethren had grown in maturity, with everyone speaking in ways that benefited each other, helping to edify and lift up the body of Messiah.

On the final day, the elders in attendance from the various Assemblies voiced that traveling northward to Michigan may be a good option for next year. Further talks will be held, and a final decision will be made. We trust in Yahweh's guidance and pray for His will to be accomplished.

We appreciate everyone's support in making this one of the most enjoyable and Spirit-filled meetings we've attended. We look forward to many more gatherings centered on family, trust, and repentance. These message themes, one for each day, were ministered throughout the Conference. We trust that everything was acceptable to Abba Yahweh and His precious Son, Yahshua. *The steps of a [good] man are established by Yahweh, and He delights in his way, Psalm 37:23.*

Moreover, we were all blessed to see two new sisters come into the body of Messiah through water immersion in Yahshua's Name at the Unity Conference. Sister Darlene is on the left and Sister Amber is on the right. Welcome Sisters! Subsequent to the Conference, we've experienced other noteworthy blessings mentioned elsewhere in this newsletter. We thank Yahweh through Yahshua for His blessings. Shalom!

Wedding of Mary Rose and Lucas!

We're very happy to announce the marriage of Deacon Lucas to Sister Mary Rose in holy matrimony held here at the Assembly on August 16th, of this year of 2026.

We've been with them on their journey with periodic updates on Mary's immigration status from the Philippines. We are grateful that all has gone well, with few hiccups in the process. There are yet some further steps that will need to be taken to complete her immigration, but for now they are a happy newly-wed couple. Congratulations to both of them.

We were able to record the wedding and have posted it on our YouTube channel, Yahweh's Assembly In Yahshua

Ash Trees on Assembly Grounds

We've been cutting down trees on the property that have been afflicted by fungus and insects. It is a statewide problem, and trees so affected are not permitted to be legally transported by the timber industry on the highways.

We have been tasked the last few years with removing them, having even prepared pallets for the purpose of stacking firewood which we have listed for sale on Craigslist.

The local electric utility requested an easement on the property, and have offered to take not only the eight trees which were

in the way. Furthermore, they have offered to remove the remaining fifty trees still standing on the property.

They expressed their appreciation to us for our cooperation, making the easement process easy for them. And they have big equipment that grabs, cuts, and lifts the trees from where they stand, so it will be easy to remove the extra trees. Their one machine can accomplish this in one day, which would typically take a full-time crew one month to do.

This is a BIG relief for us, as it would require us years to remove these ourselves. We acknowledge Yahweh's continued blessing us. We thank you Yahweh!

Local Outreach

Over the years we've gone out to various locations to share literature and share the Good News of Messiah, Yahshua. Recently, we went out with Elder Teddy Wilson of Seekers of Yahweh Ministries, who has been traveling the country sharing the Word of Yahweh and doing baptisms. Elder Teddy's wonderful wife and six children also shared in the work!

Autumnal Appointed Times

The Autumn Appointed Times are fast approaching! If the new moon is confirmed when expected for our *North American Region* after the weekly Sabbath on the 12th of September, then we will be looking at the first High Sabbath of Trumpets on Sunday the 13th.

Please see our *International Assemblies* page, under *Contacts*, on our website, for a Feast sight near you! If you want to attend the Feast of Tabernacles with us, we may still have space. Yahweh bless and keep you, and may His Face shine upon you. In Messiah Yahshua.
