## Names in the Bible

In modern times, people don't give much thought to what they name their babies. Not many will look into where the names came from or what they mean. Oftentimes, parents simply name their children according to what

**"FOR WHERE TWO OR THREE ARE**

**GATHERED  
IN MY NAME,**

**THERE AM I AMONG THEM."**

**MATTHEW 18:20, ESV**

sounds pretty or noble. But names were very important in Bible times. Parents in the Bible chose names that gave facts about their children. For instance, when Moses lived in Midian, he named his son "Gershom" which meant "stranger in a strange land." Another example would be Sarah naming her son Isaac which means "laughter" in Hebrew. We know that Sarah laughed when she was told

that she would have a baby at ninety years old.

Sometimes people would be given a new name to show a change of heart. After Jacob fought with the Angel of Yahweh, he decided to make peace with the brother he cheated. Jacob's name was changed to "Israel" which means, "wrestle with El." El is a Hebrew word stemming from Elohim which means "mighty ones."

Yahweh Himself changed Abram's name to Abraham. Abram just meant "father" but Abraham meant, "exalted father."

In the New Testament, we find Yahshua changing Simon's name to "Peter" which means "the rock or stone." In Hebrew "Peter" is more properly known as "Kepha." Yahshua had asked the disciples, "Who do people say that I am?" The disciples gave many wrong answers, except Peter. He said to Yahshua, "You are Yahweh's own Son!" So Yahshua answered, "Only Yahweh could show you this. I will call you Kepha (Rock!). And on this rock I will build My assembly."

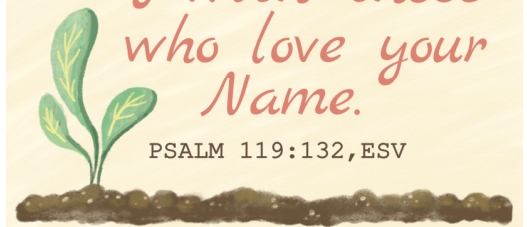

Do you know what your name means? Ask your parents why they named you such. You just might hear a very interesting background story!
