YAHWEH'S OWN SON

We are all familiar with John 3:16: *Yahweh so loved the world, that He gave His only begotten Son, whoever believes in Him will not perish but have eternal life.* What was Yahweh's Son's Name? The angel, Gabriel, appeared to a young Hebrew maiden, Mary (Miriam in the Hebrew), two thousand years ago, and told her that she would bear a son and name Him Yahshua (a Hebrew Name), and that He would save His people from their sins. The Name Yahshua means, "Yah's Salvation." Hebrew is the original language, so it makes perfect sense that the son of Yahweh would be given a Hebrew name.

Of interesting note, the name Gabriel means "El is my strength." In Hebrew, names have important meanings. Most of us don't even know what our names mean because in our culture, names are almost considered irrelevant. Most people nowadays just name their babies with whatever is popular at the time.

Yahshua's birth was one of the most important events in all of history. Yahweh's people (and mankind in general) had fallen so far away from Him, that He made a wonderful plan to redeem the world. The plan of salvation includes all of mankind (if they will only accept Yahshua's sacrifice). We

believe that Yahweh is completely just, and everyone will have an equal opportunity for salvation. We, who choose Yahweh now, will be firstfruits in Yahweh's Kingdom. Those who have never heard the Good News, will have their first opportunity in the second resurrection. Yahweh is completely fair. He takes no pleasure in the death of the wicked.

As a young believer, you have the opportunity to learn about Yahweh's way of life now. It is never too early to pray and study the Bible. Your parents can help you! Choose Yahweh now. Choose life.

The Hebrew word for “Truth” is “Emet.” It sounds like “Eh-met.

In Ancient Hebrew the letter “A” looks like: (a head of an ox). It stands for the words: Strength, Power, Chief, First.

The next Ancient Hebrew letter “M” looks like: (waves of moving water). It stands for the words: Chaos, Mighty, Blood.

The last Ancient Hebrew letter “T” looks like: (two crossed sticks). It stands for the words: Covenant, Signal, Monument or Mark, Last.

To make the word “truth,” the three letters are written together like this:

. In Hebrew, words are read from right to left – just the opposite of English words.

So, when a person tells a story or event in correct order - from the first fact, moving to the last fact, without leaving anything out, we say he is telling the TRUTH! Before a witness takes the stand, the court clerk or judge will ask him to raise his right hand and say that the testimony he is about to give will be the TRUTH, the whole TRUTH, and nothing but the TRUTH!

Almost all Hebrew words are made with letters that are arranged so as to define or explain each word!
