What is prayer?

"If you believe,

you will receive whatever you ask for in prayer."

Matthew 21:22, NIV

Prayer is a very important part of our lives. But, what exactly is it? The easiest way to define prayer is that it is having a conversation with Yahweh. Prayer can be a solemn request for help, or an expression of thanks addressed to our Heavenly Father. Yahweh wants to hear from His people! We can go directly to Yahweh through Yahshua. In fact, Yahshua taught His disciples to pray like this in Matthew 6:5-15: *Our Father, Who is in heaven, hallowed is your Name. Your Kingdom come, Your will be done, on earth as it is in heaven. Give us this day, our daily bread. Forgive us our sins, as we forgive those who sin against us. Lead us not into temptation, but deliver us from evil. For Yours*

is the kingdom, and the power and the glory forever and ever. Amen.

We are also warned not to pray improperly. This means we pray only according to Yahweh's will. Asking for selfish things is not appropriate. Prayers don't have to be long either. The Pharisees were condemned for this. They were praying to be seen by others. Yahshua called them hypocrites which in the Greek, means "actors." More words do not impress Yahweh. He mainly wants us to pray from our hearts. It is important that we humble ourselves before our Creator.

It is also a very good idea to pray for others. This is one way we can actively love people. We can even pray for our enemies, instead of taking revenge on them. The key to prayer is to make it a daily habit. This will help us get close to our Heavenly Father. He is always there for us, ready to listen when we come to Him!
