## WHAT IS TRUTH?

Many people over the centuries have asked, “What is truth? And how do I find it?” This question is easy for us to answer! Truth is found in Yahweh’s Word, the Bible! Yahweh created Adam and Eve in His own image. He placed them in a beautiful garden in Eden. Then Satan the devil entered the scene. He caused Eve to doubt Yahweh’s promise. Eve’s husband, Adam, went along with the deception. In Revelation 12:9, we are told that Satan deceives the whole world.

This means that everyone is susceptible to his influence if they do not stay close to Yahweh. Adam and Eve tried to rule themselves, and everyone born after them have had the same struggle. People need Yahweh’s Word to know what is right and wrong. But many

people want to make up their own “truths” apart from Yahweh. People often want to justify sin when it suits their purposes. Sin is defined as the transgression of the Law. See 1 John 3:4. Yahshua came to earth two thousand years ago and He proclaimed Yahweh’s Truth. He also obeyed Yahweh’s commandments, and we are to follow His example.

Pilate once asked Yahshua, “What is truth?” Yahshua said He came into the world to bear witness of the truth. It is clearly important for all of us to tell the truth. In fact, we are told not to bear false witness against our neighbor. Many have gone to prison because of a lying witness. We should not exaggerate either. Some have falsely bragged about their accomplishments to make themselves look good. Yahshua tells us that His brethren are those who walk in truth by doing Yahweh’s will. Read Matthew 7:21; 12:50.
